William Wirtz
PRESIDENT

When the Wirtz family purchased the Chicago Blackhawks in 1954, it acquired a team rooted in last place. William Wirtz, a 1950 graduate of Brown University, took his place along with father Arthur M. Wirtz and brother Michael in the reshaping and redevelopment of a once proud franchise. He became President of the club in 1966. Auspiciously, in his first year as President, the Chicago Blackhawks finished tops in their division for the first time in team history. Since that 1966-67 season, the team has recorded 13 divisional titles, won a President's Trophy and has a string of 25 consecutive playoff appearances. In only one of the years since 1967 did the team not qualify for playoff competition.

His leadership has extended beyond Chicago to the NHL itself. Wirtz was elected nine times as Chairman of the NHL Board of Governors. *Inside Hockey* called William Wirtz the most respected Governor in the National Hockey League. Having served as Chairman eighteen years, Wirtz stepped down following the 1991-92 season. Among the accomplishments during his tenure as Chairman: the merger of the WHL with the NHL in the late 1970's, the further expansion of the League and the entry of European players into the League. Known as a man of his word, William Wirtz presently sits on the National Hockey League Executive Committee.

His achievements have been recognized: induction into the Hockey Hall of Fame in 1976; the reception of the Lester Patrick Trophy in 1978, (both honors also accorded his father); induction into the United States

Hockey Hall of Fame in 1985; and the respect of his peers as a "natural leader."

Wirtz served on both the 1980 and 1984 Winter Olympic Committees. For the last several years, the Blackhawks have hosted the final games of the Illinois Amateur High School Hockey Association Championship. In addition, he is a Past Chairman of the Prairie State Games (Illinois 1984/85), and he presently serves as Trustee for the Chicago Latin School Foundation.

The decision to construct a new arena for the team was a difficult one for Wirtz. Chicago Stadium had been a family property since the 1936, long before ownership of the Blackhawks was a reality, and he had literally grown up within its walls. He had seen and met legendary stars of the entertainment world there; he had witnessed history being made at the political conventions and rallies held there. However, the businessman in him recognized the economic necessity of change. Remaining competitive in an era of escalating salaries called for a farsighted approach. Balancing the corporate skybox along with the individual season ticket holder is not an easy task for a man who views that ticket holder as the most important part of a sports franchise. Together with partner Jerry Reinsdorf of the Chicago Bulls, he has succeeded in constructing a new state-of-the-art arena. He is most proud that the facility has been "financed with private funds and without taxpayer dollars."

Outside hockey, Wirtz, 66, maintains several enterprises with the authority and responsibility shared by other family members. "We are a close family," he says. "It has always been the family first, business second and nothing else third."

William Wirtz has always been concerned for others not so fortunate. He has been a leader in the support of Maryville Academy, the largest residential child-care facility in Illinois. His late wife, Joan Roney Wirtz, founded the Women of Maryville in 1979 to establish a scholarship fund to benefit Maryville youth. In September of 1994, Father John Smyth of Maryville Academy presented Mr. Wirtz with the "Standing Tall Award" for being an advocate for disadvantaged children of all races, cultures and religions. His generosity has indeed helped many a young person in getting his/her life back on the right track.

His contributions to the Virginia Wadsworth Wirtz Wheelchair Sports Program at the Rehabilitation Institute of Chicago are well recognized. Mr. Wirtz is the model humanitarian and many of the good deeds he has done for people throughout the community go unnoticed or remain unknown by design.

William Wirtz and his wife Alice reside in the northern suburbs.

Arthur Michael Wirtz

EXECUTIVE VICE PRESIDENT

The title of Vice President has been carried easily on the broad shoulders of Michael Wirtz since 1958. In the restructuring of the Blackhawk organization prior to the 1990-91 season, Michael was elevated to the position of Executive Vice-President. In his role as Executive VP, he works closely with Vice Presidents Tommy Ivan and Bob Pulford and his brother William in handling all hockey problems, especially business aspects that arise on a daily basis. He also serves as Alternate Governor of the team.

As a graduate of the Wharton School of Commerce of the University of Pennsylvania, Michael has been a valuable asset to the Chicago Blackhawks with his knowledge of business and his love of hockey. He served as General Manager of Chicago Stadium for six years, coming to love the building perhaps as much as his brother and is equally affected by its demise.

The family realty business helped to introduce Michael to his wife, Sunny. Michael lived in a building on Lake Shore Drive which the Wirtzes owned, when Sunny's family moved to Chicago in 1959 and settled in the same building. The couple was married about three years later. Mr. and Mrs. James Norris and Tommy and Dorothy Ivan became great friends of Michael and Sunny in the early days of their marriage, underscoring further his love and knowledge of the game. These years also found him playing hockey on several adult teams in the Chicago area along with Wally Gunzo, who served as practice goaltender for the Hawks.

It was from Virginia Wirtz, his mother, that Michael gained his other love, flowers. The greenhouse he has recently added to the family home is filled with roses and flowering trees, allowing the family fresh limes and oranges for the picking. Gardening has become more than a relaxing hobby. Michael has served as a Director of the American Rose Society and has been elected President of the Northeastern Rose Society on several occasions.

Mike, Sunny, and their children, Laura and Jimmy, reside in the northern suburbs. Son Arthur III and his wife also reside in the Chicagoland area.

Robert J. Pulford

SENIOR VICE PRESIDENT/GENERAL MANAGER

Bob Pulford has excelled at every aspect of the game of hockey offers: Player, Coach, General Manager.

In his playing career, which began in 1956, Pulford collected 643 points (281 goals, 362 assists) in 1,079 games. With the Toronto Maple Leafs in their glory-days of the Sixties, Pulford earned a Stanley Cup ring in the 1961-62, 1962-63, 1963-64, and 1966-67 seasons. Known as an outstanding penalty killer, he registered four 20-or-more goal seasons and was an NHL All-Star six times. To this date he ranks among the Maple Leafs' Top Ten in goals, assists, points, and games played.

Retiring from active play, Pulford accepted the position of Head Coach with the Los Angeles Kings in 1972. The team developed rapidly under his direction, and in the 1974-75 season, the Kings posted a 42-17-21 record for 105 points. For his efforts, Pulford was named NHL Coach of the Year.

Following five successful seasons in L.A., Pulford joined the Chicago Blackhawks on July 6, 1977, accepting a new challenge, as he became Head Coach and General Manager. He promptly led the Blackhawks to a first place finish in the Smythe Division and again earned the honor of being named

Coach of the Year as voted by the *Hockey News*. Twice after relinquishing his coaching position to concentrate on management, Pulford reassumed the coaching role in mid-season to revive a struggling Hawk team. The Chicago Blackhawks have won eight division titles with Pulford as General Manager and Coach, and the team has made the Playoffs in each of his 18 seasons with the Hawks. Pulford has posted a 336-305-130 record as an NHL Coach.

In June of 1990 President William Wirtz of the Chicago Blackhawks appointed Bob Pulford the club's Senior Vice President. This position allows him more input into the business and marketing aspects of the team — both essential facets in the growth of any sports franchise. Although this may seem incongruous to the ordinary fan, those close to him are well aware of his meticulous attention to detail. Without a hockey career, he states, "I probably would have been a lawyer."

This can clearly be observed in Pulford's extensive role in developing the National Hockey League's early collective bargaining agreements. In 1967, Bob Pulford became the NHL's first Player Union President. Today, he plays a key role acting as Alternate Governor for the team and sitting on the advisory committee to league ownership.

Pulford's accomplishments have not gone unrecognized. On June 21, 1991, he was elected into the Hockey Hall of Fame.

A graduate of McMaster University, Pulford is also credited with bringing more respect to hockey in the United States. As Head Coach of Team USA during the 1976 Canada Cup Games, he helped develop a team that played much better than expected. Although the team did not win a medal, he caused many to sit up and take notice of U.S. Hockey for the first time. In the 1991 Canada Cup series he served as Co-General Manager for Team USA.

"Pully," as he is often called, his wife Roslyn, and their three children — Rob, Lindsay, and Jennifer — reside in the northern suburbs. When he's not involved with hockey, he can be found restoring old automobiles, a long-time hobby. Golf and fishing are the others.

Jack Davison

VICE PRESIDENT

Having played or coached at every level of hockey, Jack Davison is one of the most respected judges of talent among NHL executives. Entering his 35th year as a member of the Chicago Blackhawk organization, Davison's knowledge of hockey has been invaluable in bringing excellent young talent to the club.

One of the reasons Davison has such an eye for good talent is his own athleticism. As a young man, Jack had a baseball tryout as a first baseman in the Braves' organization, but he chose hockey instead.

Davison's prime responsibility had been in the area of player personnel. Working closely with Bob Murray, Davison had helped coordinate scouting efforts and make sure that no stone was left unturned. He also directed the Blackhawks participation in the Entry Draft up until the 1992 Draft when he turned the reins over to Bob Murray.

Through all his work and preparation over the years the Blackhawks have reaped the benefits of players such as Denis Savard, Steve Larmer, Jeremy Roenick and Doug Wilson. His attendance at World Cup games has enabled the Blackhawks to make headway in the recruitment of European players. Attending the 1992 Olympics in France afforded him the opportunity to view players from every major hockey country in the world.

Jack maintains his headquarters in Toronto where he continues to monitor junior players who are headed to the draft. He continues to provide valuable insight to the Blackhawks scouting staff as they prepare for the annual draft.

Jack and his wife Isobel reside in Toronto. An avid golfer, he is able to spend more time fine tuning his game now that his responsibilities have lessened. The Davisons have three children: Kathy, Susan and Kerry.

Thomas N. Ivan

VICE PRESIDENT

One of the most respected and knowledgeable people in the world of hockey, Tommy Ivan has served for over 50 years in nearly every capacity the game has to offer. In his book, *Hockey's-100*, Stan Fischler lists Ivan among the Ten Best Coaches and Ten Best General Managers in the history of the NHL.

Tommy began his hockey career with the Detroit organization. He coached junior hockey in Ontario, then moved to Omaha in the Central League where a young Gordie Howe became a likely prospect. From 1947 to 1954, Ivan led the Detroit Red Wings to three Stanley Cups and six first place finishes.

For most of those same years, the Chicago Blackhawks finished in last place. Both teams had entered the NHL with September 25, 1926 as their franchise date; both teams had won two Stanley Cups in the 1930's, but then their fortunes turned in opposite directions.

With the Hawks in danger of total collapse, Tommy accepted the challenge to restructure the Blackhawks into a solid and stable competitor. His rebuilding of the Hawk farm system, drafting of players, and strengthening of team spirit led to a Stanley Cup Championship in 1961, and a club that reached the Finals in 1962, '65, '71, and '73. Future Hall of Famers Bobby Hull, Stan Mikita, and Glenn Hall were brought into the Hawk organization by Ivan.

In 1974 Thomas N. Ivan was himself inducted into the Hockey Hall of Fame. In 1975, he received the Lester Patrick Trophy for "outstanding service to hockey in the United States." He has since been named Chairman of the United States Hockey Hall of Fame and is also on the selection committee of the NHL Hockey Hall of Fame.

As Chairman of the organizing committee for the 1978-79 Olympic Hockey Festival, Tommy and his committee were instrumental in bringing more than 90 players together for Coach Herb Brooks and his staff. That "miracle" team went on to win the Gold Medal at the 1980 Winter Olympics in Lake Placid, New York.

After serving as Blackhawk General Manager for 25 years, Tommy Ivan became the team's Vice President and Alternate Governor. Now well into his eighties, Tommy Ivan admits to his not being as active as he once was, but when it comes to hockey, his mind is as committed as ever.

Ivan was named winner of the 1994 Hockey News/Tech King Clancy Memorial Award for his long and continued service to the game of hockey.

Tommy Ivan divides his time between his homes in the Chicago area and in Florida.

Bob Murray

*ASSISTANT GENERAL MANAGER/
DIRECTOR OF PLAYER PERSONNEL*

Bob Murray spent his entire NHL playing career with the Chicago Blackhawks. "Murph" was acquired in the 1974 draft and played 1008 games in a Hawk uniform, only the fourth Hawk player to reach the 1000-game mark. In the 1990 playoffs, he became the first defenseman in Blackhawk history to play in over 100 playoff games. He ranks first among All-Time Blackhawk Defensemen in games played and is second among All-Time Blackhawk defensemen in career points with 514. Bob Murray scored 132 goals (26th overall), 382 assists (8th overall), totalling 514 (12th overall) throughout his 15 year career. He also recorded one assist in two All-Star appearances: 1981 and 1983.

Murray's playing career was marked by tremendous skill, endurance and determination. His great effort and preparation were well noted by the organization. Also visible behind the scenes were his organization and management skills. All these traits convinced the Blackhawks to sign Murray as a Pro Scout for the club in 1990. Within a year he was appointed Director of Player Personnel mastering the computerized system which keeps track of all players observed by the scouting staff.

In 1992, Senior Vice President/GM Bob Pulford and VP Jack Davison, handed Murray the baton as he directed his first NHL Entry Draft. His first two selections, Sergei Krivokrasov and Jeff Shantz, both currently wear the Blackhawk sweater in the NHL.

Bob evaluates all levels of player ability as it effects movement within the organization, trades, and the entry draft. Bob himself continues to scout individual amateur players and to coordinate Blackhawk scouting in North America and Europe. He continues to work closely with his scouting staff trying to secure the best young talent available which will continue to make the Blackhawks a contending team.

Bob has three children, Kevin, Amanda, and Andrew, and makes his home in the northwest suburbs. When not working, Murray relaxes with a few rounds of golf.

Peter R. Wirtz

VICE PRESIDENT OF MARKETING

Complimenting the wealth of NHL experience his father, William, and uncle, Michael, bring to the Chicago Blackhawk organization, Peter R. Wirtz has injected his knowledge and enthusiasm for sports marketing, keeping the Blackhawks on the cutting edge of hockey promotion and game presentation.

Peter R. Wirtz oversees all off-ice marketing and promotions as Vice President of Marketing for the Blackhawks. Fans are well aware of Peter's many visible accomplishments throughout the years. The 35 year-old Wirtz has his sights set on carving a wider fan base for the Blackhawks and for hockey in general.

While constantly looking at new promotional techniques for the club, Peter has never lost sight of the traditions that mean so much to the loyal season ticket holders that fill the United Center. Under his direction, Blackhawk game presentations are a model for many in the league; featuring dramatic pre-game and game night ceremonies along with creative videoboard attractions capturing the sights and sounds of hockey. Peter and his staff have put a premium on fan enjoyment, while maintaining and protecting the rituals that have come to stand for Blackhawk hockey.

Peter has never forgotten his team's responsibility to give back to its community, and he has been instrumental in the formation of Chicago Blackhawk Charities. As a group, the Blackhawks have long been one of the most giving, if not the most charitable and community oriented professional teams in Chicago.

Peter also recognizes the value of attracting young people at a grassroots level. He has given Chicago area youth hockey a generous boost by creating the Chicago Blackhawk Charities Holiday Hockey Tournament, a sixteen team round robin tournament for Illinois High Schools. Peter also supports various youth street hockey programs including the NHL Breakout and the recently established StreetHawks.

In addition to Peter's responsibilities with the Blackhawks, he also owns and operates Bismarck Enterprises. Founded in 1983, Bismarck Enterprises has been providing Chicago's sports and entertainment industries with the finest food service, catering and merchandising.

Currently Bismarck oversees the management of all luxury suites, restaurants, banquet rooms, concessions and merchandising at the United Center. Bismarck also manages the banquet rooms, concessions and merchandising at the newly renovated Navy Pier. Bismarck Enterprises developed and operates Fandemonium, a dazzling retail store filled with lights, video, and the finest licensed sportswear and merchandise available anywhere, and HawkQuarters, the Official Team Store of the Chicago Blackhawks. Bismarck's clientele has also included: Tiger Stadium, Detroit Race Course, Hazel Park Raceway and Northville Downs.

Peter resides in the northern suburbs. He enjoys hockey, weight training and running.

Craig Hartsburg was introduced as the 30th Head Coach in the history of the Chicago Blackhawks at a press conference on June 29, 1995. Hartsburg comes to the Blackhawks from the Guelph Storm (OHL), where he was named OHL Coach of the Year after leading the Storm to a 47-14-5 record.

Hartsburg received his first head coaching position at Guelph last season after spending four seasons as an assistant coach from 1990-94 with the Philadelphia Flyers and one season as an assistant coach with the Minnesota North Stars during the 1989-90 season.

A native of Stratford, Ontario, Hartsburg played his entire 10-year NHL career with Minnesota. Known as an offensive-defenseman, Hartsburg was the North Stars' captain for six seasons, until injuries forced him to retire from active play on January 13, 1988. Hartsburg was Minnesota's 1st choice (6th overall) in the 1979 NHL Entry Draft and he immediately made an impact on the North Stars' blueline, scoring 44 points in 79 games during his rookie season.

During the 1981 Stanley Cup Playoffs, Hartsburg was a key player for the North Stars, scoring three goals and 12 assists as the Stars advanced to the Stanley Cup Finals. Hartsburg played in 570 games during his NHL career, recording 98 goals, 315 assists (413 points) and 818 penalty minutes. He played in 61 Stanley Cup Playoff games during his career, posting 15 goals, 27 assists (42 points) and 70 penalty minutes.

On November 1, 1986 versus the Blackhawks, Hartsburg became the only North Star defenseman to record a hat trick. He led all Minnesota defensemen in scoring each of his first four seasons and he holds or shares six Stars' team records including most assists (60) and most points (77) by a defenseman in one season.

Hartsburg lists winning the Canada Cup Championship in 1987 as his most memorable hockey moment. He participated in three NHL All-Star games (1980, 1982 and 1983) and he also competed in three World Championship tournaments for Team Canada—and was chosen best defenseman of the 1987 World Championships. In February of 1992, Hartsburg was voted to the North Stars' 25th Anniversary Dream Team by Minnesota fans.

Hartsburg, who turned 36 on the day he was announced as head coach, and his wife Peggy have two children, Christopher and Katie.

Lorne Henning was announced as the Blackhawks assistant coach on August 7, 1995. Henning has a long history of coaching the National Hockey League, having spent eight seasons as an assistant under the legendary Al Arbour and three seasons as a head coach, two with Minnesota and one with the New York Islanders.

Henning's experience will greatly assist Craig Hartsburg, who is entering his first season as the head coach of the Blackhawks. Hartsburg played for Henning in Minnesota from 1985-87. Henning comes to the Blackhawks from the New York Islanders organization, which he has been a part of for 19 of the last 23 years since being drafted in the second round (17th overall) of the 1972 Entry Draft. He served as a player, assistant coach and head coach of the Islanders during that time.

An original Islander, Henning played his entire 9-year NHL career with New York. He compiled 73 goals and 111 assists for 184 points in 543 games during that time, while performing as largely as a defensive and penalty-killing specialist. He played a major role in the Islanders' four-year Stanley Cup dynasty as both a player and a coach. Perhaps his greatest moment was assisting on Bob Nystrom's historic Stanley Cup winning overtime goal against Philadelphia to start the championship run in 1980.

Serving as a player-assistant coach in 1980-81, Henning eventually became Al Arbour's full time assistant coach and remained in that position through the 1983-84 season. Henning received his first head coaching position with the Islanders minor-league affiliate in Springfield in 1984-85, where he coached the team to a 36-40-4 record.

Henning was named to his first NHL head coaching position with the Minnesota North Stars in 1985-86 where he coached Hartsburg and Dirk Graham, who is now also a Blackhawk assistant coach. Henning led the North Stars to a dramatic 23-point improvement in his first season and finished third in voting for the Jack Adams Award (Coach-of-the-Year) behind Glen Sather and Jacques Demers. Henning coached one more season in Minnesota, leading the North Stars to a 30-39-9 record.

After taking two years off from coaching, Henning returned to the Islanders as an assistant coach for the 1987-88 season. He remained in that position until he was named interim head coach with five games remaining in the 1993-94 season. Henning was named the head coach of the Islanders on June 20, 1994 and coached New York to a 15-28-2 record in the abbreviated 48-game 1994-95 season.

Lorne, 43, and his wife Cathye have three children: Brett, Garrett and Marissa.

Dirk Graham enters his first season as an assistant coach after retiring from a 12-year NHL career on August 7, 1995. Graham, who served as the Blackhawks team captain for the last 6 1/2 seasons, played with Blackhawks head coach Craig Hartsburg for parts of five seasons in Minnesota.

A native of Regina, Saskatchewan, Graham was originally Vancouver's 5th choice (89th overall) in the 1979 Entry Draft. Graham spent four seasons in the minor leagues with Dallas (CHL), Fort Wayne (IHL) and Toledo (IHL) before breaking into the NHL with Minnesota in 1983-84. Graham recorded 70 goals and 55 assists for 125 in 78 games with Toledo during the 1982-83 season and was signed as a free agent by Minnesota on August 17, 1983.

After splitting two seasons between Minnesota and its minor league affiliates in Salt Lake (CHL) and Springfield (AHL), Graham played his first full NHL season in 1985-86 with the North Stars. Minnesota traded Graham to the Blackhawks in exchange for Curt Fraser on January 2, 1988.

Graham enjoyed his best season in 1988-89, his first full season with the Blackhawks, as he recorded NHL career-highs with 33 goals and 45 assists and 78 points. He was named team captain of the Blackhawks midway through the 1988-89 season and held that position through last season, his final as a player.

In a career that spanned 12 seasons, Graham played 772 career NHL games recording 219 goals and 269 assists for 488 points. As a Blackhawk, Graham played 546 games (26th all-time), scored 152 goals (20th all-time), recorded 190 assists (28th all-time) for 342 points (25th all-time).

Graham was a key member of the 1991-92 Blackhawk team that was defeated by Pittsburgh in the 1992 Stanley Cup Finals. Graham recorded seven goals and 12 points in 18 games as the Blackhawks won 11 consecutive games to reach the Finals. He recorded a hat trick in the first period of Game 4 of the Stanley Cup Finals to set a Blackhawk record for most goals by one player in one playoff period.

Known as an excellent two-way player, Graham was the recipient of the 1991 Frank Selke Trophy as the forward who best excels at the defensive aspects of the game.

Graham, whose nickname is "Duke", enjoys watching pro football and the L.A. Raiders are his favorite team. He resides in the western suburbs and returns home to Regina during the summer.

Vladislav Tretiak

GOALTENDER COACH

Perhaps the greatest goaltender in the history of hockey, Vladislav Tretiak has received a multitude of honors and awards.

Tretiak played on a record 13 Soviet League Championships as the goaltender for the Red Army. He won 10 World Championship Gold Medals. He was selected Soviet Player of the Year five times. Tretiak was Winner of the Gold Stick as outstanding European player three times. He and the Soviet Union National Team took the Winter Olympic Gold Medal in 1972, 1976, and 1984; the Silver Medal in 1980. In 19 Olympic games Tretiak allowed 33 goals for a 1.74 goals-against average.

In recognition of his tremendous playing ability and his many contributions to the sport of hockey on an international level, in 1989 Vladislav Tretiak was given the honor of being the first Soviet born player to be inducted into the Hockey Hall of Fame. This last season, he was accorded an American style honor in Moscow as his Central Red Army Club Jersey was raised to the rafters of Moscow's Ice Palace and his number "20" officially retired.

Tretiak's play against the National Hockey League occurred in the September 1972 series between the Soviet Union and Team Canada. Four Canadian cities and an awed television audience were witness to Russian hockey for the first time in this series. Then and in succeeding years, in 11 Canada Cup games he allowed 22 goals for a 2.00 goals-against average. The Montreal Canadiens selected him in the 1983 entry draft (138th overall), but his release to Canada and the NHL was vetoed by the Soviet Ice Hockey Federation at that time.

He retired from active play in 1984. Since then, he has authored several books including an autobiography, *Tretiak, The Legend*. He has run hockey camps for goaltenders both in the United States and Canada.

Vladislav Tretiak became the goaltender coach and consultant for the Chicago Blackhawks prior to the 1990-91 hockey season. There has not been a problem in communication, since as Tretiak has said: "Goaltenders speak a universal language."

Tretiak was born April 25, 1952, in Dmitrovo, a suburb of Moscow. He played his first hockey game at age 11, and at 17 he was appointed to the powerful Central Red Army Team. He and his wife, Tatiana, together with their two children, Dmitri and Irina, live in Moscow. He retired from the Soviet Army with the rank of Lieutenant Colonel.

Pat Foley
BROADCASTER

Pat Foley has established himself in hockey broadcasting with a contagious enthusiasm that he has maintained through 15 years of calling Blackhawk games on radio and TV.

Like many other Hawk fans, Pat recalls listening to his alltime favorite announcer, Lloyd Pettit, who was "The Voice of the Blackhawks" for many years.

Pat began his own broadcasting career at Michigan State University doing baseball and hockey, and later he worked for the Grand Rapids Owls of the International Hockey League. It was Blackhawk Vice President Michael Wirtz who first heard Foley's broadcasts of the Owls and recommended him for the job with the Blackhawks. Foley took that opportunity and has made a name for himself in Chicago and in the NHL.

Pat, 40, was born and raised in the northern suburbs where the family business, Foley Motor Sales of Wilmette, was founded over 50 years ago. He is single and makes his home in Glenview.

Dale Tallon
BROADCASTER

Handling color analysis for the Chicago Blackhawks' broadcasts, Dale Tallon is always impressive and never at a loss. The avid fan delights in, and even the occasional listener is aware of, Dale's keen insight, descriptive style, and sense of humor. These qualities are real assets to the programs as well as indicative of Tallon himself.

Tallon is a ten year veteran of the National Hockey League. He was the number one choice of the Vancouver Canucks and the second player chosen overall in the 1970 draft. Traded to the Blackhawks in 1973 for Jerry Korab and Gary Smith, Tallon spent five years in Chicago, finishing his playing career with the Pittsburgh Penguins.

Dale now carries a golf club as well as he ever carried a hockey stick. He has been a member of the Canadian PGA Tour and has won or placed in several championship tournaments in Illinois. Off-season, he serves as head golf pro at a course in the western suburbs.

Dale, his wife Meg, and their two girls, Lauren and Kirsten, reside in the northern suburbs. Dale is an active member of the Blackhawk Alumni.

The United Center

It was the dawn of the Next Ice Age. After 65 years in the historic Chicago Stadium, the Blackhawks moved across Madison Street for the 1994-95 season and into their new home — the United Center.

The Blackhawks' first season in the United Center was certainly a memorable one. Chicago hosted Edmonton on January 25, 1995 in the United Center's inaugural NHL game. Blackhawk forward Joe Murphy scored the first goal in United Center history as the Blackhawks defeated the Oilers 5-1 in the historic game.

The United Center, which has a capacity of 20,500 for hockey (almost 3,000 more than the Stadium) was filled to the rafters almost every time the Hawks took the ice. A club record was set on April 14, 1995 when 22,279 packed the UC to witness the Blackhawks and Detroit Red Wings battle. The Blackhawks set an NHL record by averaging 20,833 fans during the regular season—becoming the first team in NHL history to record an average of 20,000+ fans for one season.

Finally, the Blackhawks capped their inaugural season in the United Center with an exciting playoff run to the Western Conference Finals that included a Game 7 victory against Toronto in the Quarter Finals and a double-overtime thriller in Game 3 of the Western Conference Finals against Detroit.

The inaugural season of the United Center provided many exciting moments on the ice, but those were almost equalled by the experience of visiting the United Center for the first time.

The United Center features the ultimate in fan entertainment and comfort. Some of the new amenities include: an eight sided video replay scoreboard, theatre-style seats, 216 luxurious suites, over 3,000 Club seats, 46 permanent concession stands and 194 points of sale, a cocktail lounge, private banquet facilities, TV monitors throughout the building, Fandemonium (a Blackhawks and Bulls souvenir store) and four other merchandise stands.

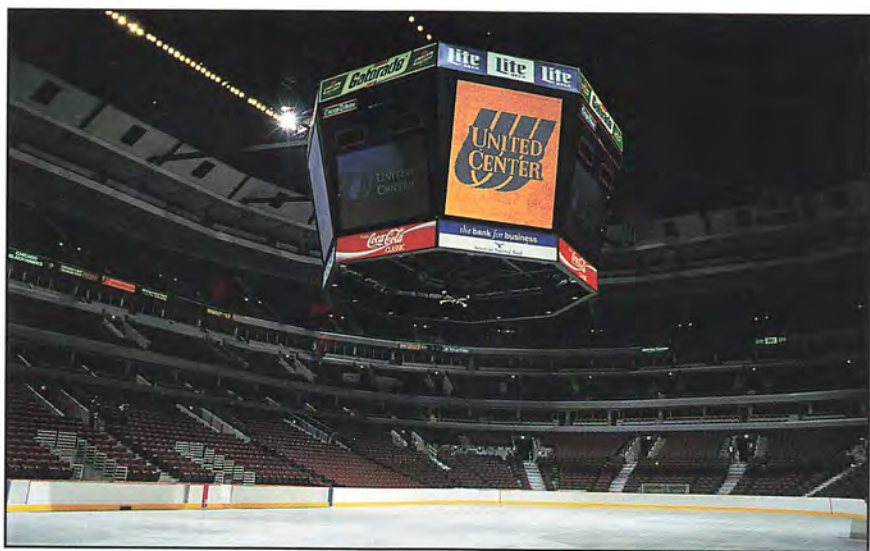

The United Center also contains the best in fan convenience and accessibility. There are eight escalators and extra wide concourses for better mobility. Cash stations, along with coat and parcel check areas are available on every level. There are 48 restrooms (three times the restroom space of Chicago Stadium) and an increased capacity for women's restrooms. Seating is unobstructed throughout the arena.

The United Center is a 960,000 square foot multi-use facility that was officially opened on August 18, 1994 after a ribbon cutting ceremony. The UC accommodates 20,500 for hockey, 21,500 for basketball, and up to 23,500 for concerts and other entertainments. The United Center will also hold the 1996 Democratic National Convention in August of 1996.

The United Center is located between Madison and Monroe Streets on the city's near west side. And while no building can recreate the atmosphere of the historic Chicago Stadium or the events that took place there, the inaugural season of the United Center has already provided several special moments that are sure to grow in the hearts of Blackhawk fans.

The United Center is a 960,000 square-foot multi-use facility that will be the home of the Blackhawks for many years to come.

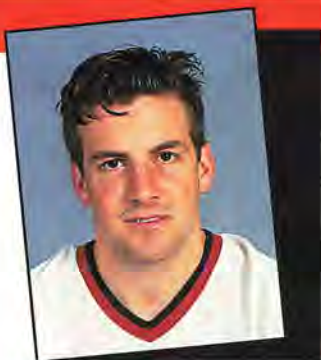

This view of the United Center highlights one of the building's main features, an 8-sided video replay scoreboard.

ANAHEIM	CHICAGO	BOSTON	FLORIDA
CALGARY	DALLAS	BUFFALO	NEW JERSEY
COLORADO	DETROIT	HARTFORD	NY ISLANDERS

The NHL will continue to honor the memories of the great builders of the game—Charles F. Adams (Northeast), Lester Patrick (Atlantic), James Norris (Central) and Conn Smythe (Pacific)—with Cups to the regular champions of each division in their names. The Prince of Wales Trophy will go to the Eastern Conference playoff champions and the Clarence Campbell Bowl will be awarded to the Western Conference playoff champions.

SCHEDULE:

The NHL's 26 member clubs will each play a total of 82 games, broken down as follows:

Western Conference—clubs will play either five or six games against divisional opponents, four games against teams in the other division of their conference and two contests against each of the 13 teams in the Eastern Conference.

Eastern Conference—teams will play either five or six games against divisional opponents, four games against teams in the other division of their conference and two contests against each of the 13 teams in the Western Conference.

STANLEY CUP PLAYOFF FORMAT:

The Stanley Cup Playoffs are conference-based with the 1st place team in the regular-season competing against #8; #2 vs. #7; #3 vs. #6; and #4 vs. #5. The playoff matchups will be based on overall points achieved in the regular season, with four division regular season champions being placed in their first and second place seeds in each conference and being assured of home ice advantage in the first two playoff rounds. Conference champions meet for the Stanley Cup.

All series are best-of-seven with home-ice rotating on a 2-2-1-1-1 basis, with the exception of matchups between Central and Pacific division teams where the team with the better record can choose between the 2-2-1-1-1 or the 2-3-2 series format. The team with the most points will have its choice as whether to start the series at home or on the road.

PRESS BOX: The press box is located on the South Side (7th level) of the United Center. This box is reserved for game personnel, writers, and various non play-by-play radio personnel.

SEASON CREDENTIALS: Members of the media receiving season credentials will be contacted in advance of training camp by mail. Those media members will be asked to stop in the United Center administrative office (located on the service level, or basement) where a credential picture, similar to your driver's license, will be taken. Season credentials will only be issued to those members of the media who cover the Blackhawks on a regular basis.

INDIVIDUAL GAME CREDENTIALS: Individual game passes will be issued to those accredited members of the media by contacting Jim De Maria, Brad Freeman, or Barbara Davidson a minimum of 48 hours in advance of a game.

MEDIA LOUNGE: The media lounge is located on the service level (NW corner) of the United Center near the Blackhawk locker room. The press meal will be served in this area prior to every Blackhawk home game.

PRESS NOTES: A complete set of press notes will be provided to all members of the media upon their arrival at the press lounge. Notes will also be provided in the press box.

PRESS GATE: The press enter at Gate 3 1/2, which is located in the NE Corner of the United Center (just off Madison Street). Game night media will be able to pick up their credentials at the press gate on game nights.

PHOTOGRAPHERS: Photographers must shoot from designated areas assigned by the Blackhawk team photographer. Photo credentials may be obtained by calling the Blackhawk Public Relations Department at least 48 hours in advance. Photographers will meet with the Blackhawk team photographer approximately one hour before the game to arrange for their space assignments.

LOCKER ROOMS: The Chicago Blackhawk locker room is located on the service level (North side) in the talent corridor. The visiting locker room is adjacent to the Blackhawk's locker room.

PRACTICES: Most Blackhawk practices take place at the United Center. However, there are times when the team will practice in another location. The Blackhawk Public Relations Department will inform the media if there are any changes in practice times and locations.

PLAYER/COACHES AVAILABILITY: The media will have access to the Chicago Blackhawk locker room after all practices and games. In accordance with NHL regulations, the locker room will open 10 minutes after practices and games. Media wishing to gain access to players or coaches prior to a practice or a game should make those requests through the public relations department. Television crews should ask a public relations representative to go inside the locker room before practices and games and bring the player outside the locker room area to conduct their interviews so as not to disturb the normal game preparation. Crews will be allowed to enter the locker room after all practices and games.

AREAS OFF-LIMITS: Media will not be permitted in the trainers room, the weight room, or the coaches office.

LIVE SHOTS/BETWEEN PERIOD INTERVIEWS: All live shots and between period interview requests must be made no later than at the morning skate and are all subject to the approval of the coaching staff. Requests coming after the morning skate will not be honored.

PUBLIC RELATIONS NOTE: The Chicago Blackhawks appreciate the coverage that you give us. With that in mind, we urge you to contact our public relations department if there is anything we can do to be of further assistance.
